

MVHS Technology/Engineering Presentation Rubric

Outcome	Distinguished	Proficiency	Apprentice	Novice
Category	20 Points	15 Points	10 Points	5 Points
Content	Thoroughly and clearly states the main points and precise details that are accurately focused on the design project.	Adequately states the main points and details that are accurately focused on the design project.	States most of the main points and details that focus on the design project. May include some unnecessary information.	States few main points and details that focus on the design project, or information does not relate to topic.
Organization	Clearly organized into a logical sequence. Excellent use of an outline. Excellent introduction and conclusion.	Adequate evidence of a logical sequence of information. Good use of an outline. Satisfactory introduction and conclusion.	Fair evidence of a logical sequence of information. Some use of an outline. Weak introduction and conclusion.	Minimal or no outline followed. No logical organization; some digressions. Unclear, confusing. No introduction or conclusion.
Delivery	Effectively and creatively delivers the information while staying on the topic and considering the audience. Uses voice variation; Interesting and vivid to hear.	Adequately delivers the information while staying on the topic and considering the audience. Speaks clearly and confidently.	Delivers the information but does not stay on the topic. Little consideration of audience. Uses incomplete sentences.	Little or no attempt is made to stay on the topic. Does not consider audience. Difficult to understand.
Preparation	Presentation shows detailed preparation and practice in delivery including use of voice, posture, eye contact, gestures, pacing, and use of pictures, graphs, computer models, etc. Interesting and vivid.	Presentation shows satisfactory preparation as well as practice in delivery including use of voice, posture, eye contact, gestures, and pacing. Some use of pictures, graphs, computer models etc.	Presentation shows some preparation as well as some practice in the delivery including marginal use of voice, posture, eye contact, gestures, pacing, and marginal use of pictures, graphs, computer models, etc.	Presentation is lacking in preparation and in practice of the delivery including use of voice, posture, eye contact, gestures, pacing, and little or no use of pictures, graphs, computer models, etc. Difficult to hear. Appears tense. Fidgets often.
Written Report	Clearly and completely describes the design and the design process, including all the necessary information in the most appropriate order. Excellent use of sections and divisions. Excellent use of content vocabulary.	Adequately describes the design process, including most of the necessary information in a correct order. Good use of sections and headings. Good use of content vocabulary.	The design and design process is not clearly described, includes most necessary information but the order is not correct. Few sections and headings. Fair use of content vocabulary.	The design and design process is not described, includes very few pieces of necessary information. Minimal or no sections and divisions. Weak or no use of content area vocabulary.
